

IRONWORKER - STRUCTURAL & ORNAMENTAL

ABOUT THIS CAREER

Structural & Ornamental Ironworkers install and reinforce structural/ ornamental steel components, precast structural concrete members and glued laminate timber products in commercial, industrial, institutional and large residential buildings, towers, bridges and stadiums. They also erect pre-engineered buildings and ornamental ironwork.

"I've got a lot of pride in the work I do. It takes strength, courage and special skills to build the structures we do."
